

# MARI CHARLSON

LIFESTYLE PORTRAIT PHOTOGRAPHY

HEY THERE!

## *I'm Mari*

I'm Mari Charlson (said like Mary), owner of Mari Charlson Photography! I am 25 years old and based out of Denver, Colorado. I have been a photographer since 2018, having been full time for almost over three years.

I have been shooting weddings since 2020. (My first wedding was an at home pandemic wedding!) Immediately after shooting that wedding, I felt so passionate about the story telling of wedding day photography. I am a lover girl at heart, and value everyone's unique love stories.

Three words to describe my wedding photography style are Documentary, Natural, and Elevated.

### Quick facts about me:

- I am a dog mom to my sweet rescue girl
- I am also a bride! I am getting married 6/27/26!
- I was born and raised in Kansas City until I moved to Denver July of 2025.
- I have been a dancer since I was 3 years old and I still teach dance!

A wedding couple is the central focus of the image. The bride, on the left, has long blonde hair and is wearing a white wedding dress with a long train. She is holding a large bouquet of white flowers. The groom, on the right, has short blonde hair and is wearing a dark tuxedo with a white shirt and a dark bow tie. He has a boutonniere on his lapel. They are both smiling and looking at each other. The background consists of a light-colored brick wall on the left and a large, arched window on the right. The window looks out onto a bright, sunny day with some greenery visible. The overall tone of the image is romantic and celebratory.

# Love Notes

Mari did an absolutely incredible job with our wedding photos. Not only did she capture every special moment, she does an amazing job making you feel comfortable and guiding you if you're unsure of what to do. She continues to exceed our expectations.

*Cameron + Taylor*

When I tell you Mari captured my wedding day perfectly, I truly mean it. I knew I wanted Mari to photograph my wedding because not only would I be getting amazing photos, but also a hype woman and friend by my side the entire day. I can't recommend Mari enough!

*Alyssa + Luke*

For our wedding day, we wanted to capture feelings & personality, as well as unique & high fashion poses. Mari is vogue, & nothing less. She is a creative soul that takes time to know your vision & get to know you. She will be your friend capturing what is most important to you—not a stranger capturing the bare minimum.
